

December 2016

Dear St. Mary Catholic Schools Families:

St. Mary Catholic Schools (SMCS) participates in the Wisconsin Parental Choice Program (WPCP). The Wisconsin Department of Public Instruction issues School Report Cards on each participating choice school. Schools that participate are required to post the DPI Report Card on their school's home webpage by December 19 each year.

The link to our online SMCS School Report can be found at <https://apps2.dpi.wi.gov/reportcards/> Select "private school" and then select the school you wish to view. All five of our schools are listed together under St. Mary Catholic Schools.

We are also required by the department of public education to publicize the Educational Options Information document. The URL is <http://dpi.wi.gov/ed-options>.

There are a few important notes to consider:

- SMCS is reported as NOT RATED or NO SCORE on the School Report Card. However, we are still obligated to publish the report cards.
- SMCS has no score because too few students take the test to meet the minimum requirement to produce a School Report Card. In addition, DPI needs two years of data to generate the score. As of yet, there is not enough data to generate a School Report Card for SMCS.
- SMCS uses MAP (Measure of Academic Progress) tests for students in grades 1-8 to measure, track and report student growth.

Should you have any questions related to School Report Cards, feel free to contact SMCS Choice Program Designee Patrick Batey at [pbatey@smcatholicsschools.org](mailto:pbatey@smcatholicsschools.org).

In faith and with God's blessings,

*Helen Englebert*
