

Dear Parents, Alumni and Friends of SMC,

The 2016-2017 school year is upon us and Zephyr teams will soon be ready to compete! The Booster Club has expanded to include the middle school! The Club will financially support 32 sports and co-curricular teams amounting to more than \$65,000 each year. The Booster Club generates revenue through numerous activities including concession sales, the Greater Zephyr Open, basketball tournaments, the Zephyr Sports & Activities books, and the **SMC Booster Backers**.

We are appreciative of your past support of these programs. With this support St. Mary Catholic High and Middle School will continue to grow both in their athletic programs and co-curricular activities. At St. Mary Catholic, part of our mission is the personal development of students along with faith, academics and service. Co-curricular activities develop sportsmanship, leadership and teamwork. Please partner with us by becoming a **Booster Backer!**

A Booster Backer membership enables you to show support, but also rewards you with Zephyr apparel and spirit items, a **FREE** St. Mary Catholic Middle School athletic pass and/or The Big East Conference Pass depending on your level of support, 10% discount on Booster Club apparel, special invites to Booster Backer only events and recognition of your support in the Sports & Activities Books at the high school level.
