Welcome to a new school year at St. Margaret Mary. This year our school will be focusing on servant leadership. Students will explore Saints that exemplify servant leadership: service, attitude, leadership, kindness, commitment, belief, focus, perseverance and witness.

As a school, we are putting an extra emphasis on kindness. The Bible is filled with stories and examples of kindness. In our first school prayer service students were taught that we learn to be kind by receiving kindness.

Thank you to all the staff and parents that helped make our orientation day a huge success. We are still collecting forms and fees. Please stop by the office or send them in a marked envelope with your child.

Congratulations to the Koski Family, winners of the Zephyr Spirit package.

There are many ways to get involved at St. Margaret Mary School. We are in need of two lunchroom volunteers each day. Please click on the links below for more information or to sign up.
