Our 5th grade students spent the morning at our middle school last Thursday. October 17, 2017

Dear SMCS Families,

St. Mary Catholic Schools is excited to offer an early registration incentive for the 2018-19 school year. Early registration will take place between October 17 and November 30, 2017. There will be no extensions for this incentive.

Students entering kindergarten, 6th or 9th grade will receive a reduction in tuition of:

- **\$150** – Kindergarten
- **\$200** – 6th Grade
- **\$300** – 9th Grade

A \$50 per student registration fee (\$150 family max) must be paid by November 30 in order to take advantage of the early registration incentive. Registration fees will increase to \$100 for all students registering after January 31, 2018 (\$300 family max).

To take advantage of early registration incentives, register online today at <http://smcatholicschools.org/admissions/registration/>. Make sure to follow the directions carefully, as they are different for new families and returning families. Returning families **must** log in through their current account.

Please note that you may also register your children who do not qualify for the incentive when you take advantage of this special early registration offer.

If you have any questions regarding this process, please do not hesitate to contact us. We hope to count your student(s) as part of the St. Mary Catholic Schools community next year!

Go Zephyrs!
