### Service

It is not the style of clothes one wears, neither the kind of automobile one drives, nor the amount of money one has in the bank, that counts. These mean nothing. It is simply service that measures success.

George Washington Carver

### Good News!

Congratulations to Norah Lee who took second place in the state for computer art in the Catholic Daughters Contest.

### Book Fair

Our school's Fall 'Bookaneer' Scholastic Book Fair is scheduled for October 4 through October 12. Scholastic Book Fairs are fun school events that benefit the students and school by providing new books and needed classroom and library equipment, such as SMART boards. The event is entirely supported by the efforts of willing volunteers. Please take a moment to view the Sign Up Genius and consider joining us. Thank you for your support. ### Updates

Thanks to everyone that made Muffins with Mom's a huge success. Final Reconciliation Meeting tonight at 6:45 in Friendship Hall. Homestead Meadows is tomorrow night-there is still time to sign-up. Conferences are coming up in October-watch for a sign-up sheet.

Click on the link above to read the system news about Family Feud fine arts fundraiser, Brewfest, closing exits on I-41, Volunteers for CONNECT 5, enrichment registration, an open food service position, SG Parish fall raffle, and Community Activities.

Please watch for an important email from your school principal tomorrow Thursday, September 22 regarding a brief questionnaire that we need school families to complete.

Dear Parents and Guardians:

Welcome to a new school year!

A great education goes beyond reading, writing and math. It also includes learning how to get along with others, make good decisions, solve problems, and take responsibility for one's emotions.

Our SMCS Comprehensive Counseling Program empowers students to develop skills that encourage self-awareness, promote a virtuous way of life, promote life-long learning, foster interpersonal communication skills, develop decision making skills based on a moral foundation, provide vocation and career awareness, develop employment readiness, and impart life skills for all students. The program standards and benchmarks promote the mission of the Diocese of Green Bay Catholic School Counseling Program to provide a faith and moral based program for each child's personal, social, emotional, and academic success.

All students, kindergarten through grade 5, participate in classroom guidance once every six school days. Lessons are developmentally based to address issues commonly faced by children at various ages. Classroom guidance lessons are based on the following themes: **Academic Success, Virtue Education, Safety & Wellness, Transitions, Emotional Learning, Diversity and Careers**. Ask your child about guidance lessons and look for projects made during classroom guidance.

In addition to classroom guidance, I am available to assist children with specific concerns in either an individual or small group counseling setting. The strong emotions associated with family changes, friendship issues or learning concerns affect a child's ability to fully benefit from his/her education. The school counseling setting provides children with a safe and supportive environment to share feelings and concerns and to try new behaviors. Counseling may focus on any developmental or situational concern in the life of a child.

All children deserve to feel great about themselves and their education. Please feel free to contact me with any concerns you may have regarding your child.

Sincerely,

Nada Newcomb
