

St. Mary Catholic Schools

Grades P3-12

ADDRESSING SPECIFIC NEEDS WITH ENDOWED FUNDS

One way in which donors choose to support St. Mary Catholic Schools is by establishing an endowment. Once an endowment account reaches a value of \$10,000, an endowed scholarship or fund is created, and 5% of the total value of the account is withdrawn on an annual basis.

Forty-three endowed accounts benefit our schools in one way or another, most in the form of tuition assistance. TCCES invites interested donors to contribute to one of the endowed accounts listed below, or to explore setting up a new fund. A new fund of at least \$10,000 will begin benefitting the system immediately, but we also welcome the establishment of new accounts that will be added to over time to eventually become endowed.

The endowed funds currently held for St. Mary Catholic Schools at various institutions and foundations, including The Catholic Foundation of the Diocese of Green Bay and The Community Foundation for the Fox Valley are:

Helen Asmuth Scholarship
Harold Bachman Scholarship
Bergstrom Family
Scholarship
D. W. Bergstrom Scholarship

Ethel L. Zeininger Scholarship
Leone Zettel Memorial
Scholarship
Jean Zuleger Scholarship

In 2015, SMCS established new endowed accounts for two important aspects of a well-rounded Catholic education: fine arts and athletics. Each of these contributes to the SMCS community in a unique and important way, and all require funding well beyond the system's budget in order to provide the best opportunities possible for our students. For information about how to help in these, or any areas, please contact Michelle Dejno at the TCCES Advancement Office at 920-722-7796 ex 201.
