### **Nineteen SMCHS Students Earn AP Scholar Awards**

Fox Cities: Nineteen students at St. Mary Catholic High School have earned AP Scholar Awards in recognition of their exceptional achievement on AP exams. This honor was bestowed on 24% of the Class of 2015.

The College Board's Advanced Placement Program ® (AP®) provides willing and academically prepared students with the opportunity to take rigorous college-level courses while still in high school, and to earn college credit, advanced placement, or both for successful performance on the AP exams. About 22 percent of the 2.2 million student worldwide who took AP exams performed at a sufficiently high level to also earn a AP Scholar Award.

The College Board recognizes several levels of achievement based on students' performance on AP exams.

At St. Mary Catholic High School:

**Jeremy Joseph**, a 2015 graduate, qualified for the *National AP Scholar Award* by earning an average score of 4 or higher in all AP Exams taken, and scores of 4 or higher on eight or more of these exams.

Six students, **Kate Griffin, Samuel Hunt, Jeremy Joseph and Peter Ullrich** (all from the Class of 2015) and **Kevin Greif and Zachary**

**Parks** (a senior this year) all qualified for the *AP Scholar with Distinction Award* by earning an average score of at least 3.5 on all AP exams taken, and scores of 3 or higher on five or more of these exams.

One student, Class of 2015 member **Luke Willems** qualified for the *AP Scholars with Honor Award* by earning an average score of at least 3.25 on all AP Exams taken, and scores of 3 or higher on four or more.

Twelve students, 2015 graduates **Joseph Golichnik, John J. Hogerty, Shannon Holder, Griffin Jack, Quiting Lui, Matthew McParlon, Nathan Metz, and Haley Schwister** and current seniors **Kara Brightwell, Madeline Hass, Christina Porter and Madeline Uhlenbrauck** qualified for the *AP Scholar Award* by completing three or more AP exams with score of 3 or higher.

Of this year's award recipients at SMCHS, the six seniors have another year to complete college-level work and possibly earn a higher-level AP Scholar Award.

More than 3600 colleges and universities annually receive AP scores, and most four-year colleges in the U.S. provide credit and/or advanced placement for qualifying exam scores.
