(FOX CITIES— St. Mary Catholic Schools’ ON TRACK series gives participants practical insight and tools to help live a more secure, healthy and happy life. Past seminar topics have included financial planning, saving for college, healthcare and ways to keep your family safe. The first of this year’s series, **“Seven Myths About College Admission”** will be held on **Tuesday, October 24 at 6:30 p.m.**

Chuck Erickson, MEd and member of Wisconsin Association for College Admission Counseling and the Higher Education Consultants Association, will tackle some of the myths of college admissions and provide accurate and pertinent information to help students and families in the college search.

The ON TRACK series is offered in partnership with community resources and experts, at no cost to the community.
