FOR IMMEDIATE RELEASE

SMCS Summer Day Camp is Open to the Public

Neenah/Menasha: St. Mary Catholic Schools (SMCS) is so excited about the improvements to its summer daycare program (formerly known as SonSational Summer) that they have decided to once again share the opportunity with families from outside the school system. Program Director Katie Weber stated, "We have restructured our popular summer childcare program to add an additional element of fun with new weekly themes to complement our traditional activities such as field trips and visits to the Neenah Pool, the library and other local fun spots for kids."

Children in SMCS Summer Day Camp will participate in field trips, arts and crafts, drama, music, sports, picnics, world language and many more activities. Each week, children will enjoy events associated with a different special theme, including Down on the Farm, Under the Sea, Space, Sports and Recreation and Around the World in Five Days.

This faith-based program for children 5- to 12-years old is held at the St. Margaret Mary Campus and offers a variety of scheduling options to provide families the flexibility to meet their individual needs. The hours are Monday through Friday from 7:30 a.m. to 5:30 p.m. (which is a new, later closing time, in response to parent request).

SMCS Summer Camp is under the supervision of experienced, certified teachers who enthusiastically lead the children in a variety of activities and explorations, and the program's coordinator will be onsite each day.
