1. During the school day, when not in a regularly scheduled class or school activity, I will be in the IMC, with another teacher for class help, in the unsupervised Commons, or out of the building (in my car) or off of school property. I will sign out in the office as directed.
2. I have permission from my parents and school authorities to leave campus during lunch. (Open Campus Lunch.) I am responsible for not being tardy for my next regularly scheduled class period. When I return to campus from lunch, I need to wait in the Commons with the student body for the beginning of the next class period. I will not bring food back into the Commons from off campus sites. I understand that I DO NOT have to sign out to leave campus at lunch time.
3. I have permission from my parents and school authorities to leave campus after my last scheduled class each day. There will be certain days when an activity is planned after the last class period (e.g. Homecoming, pep rally, etc.). On these days, I must remain at school to attend this activity. I can be in the unsupervised Commons, in the IMC, or getting help from another teacher on these specific days. If I leave the Commons, I will sign out in the "Senior Privilege" binder.
4. At no time will I be found loitering in an area in school. I must be in the areas designated in the above statement #1. *If loitering occurs repeatedly*, I am in jeopardy of losing my Senior Privilege for a specific amount of time, as designated by the principal / assistant principal.
5. To remain eligible for Senior Privilege, I must maintain at least a **2.00 GPA** each quarter and **not** fail any of my classes. At any point that a student is determined to be in danger of failing any class, his / her Senior Privilege may be revoked by the administration and the student will then be placed in a study hall and / or Guided Study as solely decided by the administration. I also must maintain a positive discipline record and demonstrate positive leadership within the school.
6. This privilege may be revoked if I do not follow school rules, procedure, or policies. Requests to revoke this privilege may be made by my parents, my teachers, or any of the school authorities. The final decision to approve or revoke this privilege will be made by the principal / assistant principal. If revoked, the privilege may be reinstated after a designated time determined by the principal / assistant principal.

I understand and agree to follow the above rules concerning Senior Privilege.
