### Faculty Meal for Conferences

Over the past several years, Kristi Hoheisel spearheaded a faculty supper for the four nights that SMCHS has Parent / Teacher / Student Conferences. She relied on one class of parents to provide either a food item or monetary donation but then she facilitated purchases as needed plus set up and take down. With Kristi's last child graduating last spring, we are wondering if anyone would like to step up to the coordinator role. Things can be changed up with a new coordinator so they aren't expected to be exactly the same, however, this is one way parents have lifted up the SMCHS staff in the past, and it HAS been greatly appreciated!! If one or a couple of you would be willing to take on this project, please the front desk (722-7796). Conferences this year are on: **November 10, November 15, February 23 and February 28.**

### SMCS Booster Club - Help Needed!
