Robotics Results

On **April 19th** our Zephyr Robotics teams participated in the Worlds
Competition. **The 1200F Z-Ballers** finished 6th and 5th in qualifying and were
selected to compete on the 5th seed alliance for their division championship
eliminations and final. They made it to the final 4 but lost their last match. Had
they won, they would have competed in the 6 alliance round robin for the world
championship! So close!!

The team **1200C Technical Breakdown** finished 5th and 5th in qualifying but did
not make it to their division eliminations. We are proud of all of our SMCHS
Robotics Teams. **Congratulations on your strong showing at worlds!**
