

YOUR GENEROSITY PROVIDES A BETTER TODAY, HOPE FOR TOMORROW...AND A FUTURE TO BELIEVE IN.

Through excellent academic opportunities and co-curricular activities-all available in a faith-filled environment-our SMCS students are well prepared for a bright future. Our challenge is that tuition covers only one third of the cost of educating each student, and expenses continue to increase each year.

In order to continue offering this exceptional education experience, we need YOUR help. Ask yourself... What power do I have to ensure a quality Catholic education for today's Zephyrs? How can I help SMCS influence, impact, ignite and inspire our future leaders? How can I help to provide a brighter future by giving today?

"Real generosity toward the future lies in giving to the present"
- Alfred Camus

THE POWER TO IMPACT

Technology is essential to an SMCS education. A tech-integrated curriculum from preschool through twelfth grade requires SMCS to stay on the leading edge of technology's ever-evolving advancements. SMCS is committed to supporting the infrastructure, software and hardware essential to developing all students' education and building the foundation for higher-order thinking and technology as lifelong tools.

THE POWER TO INSPIRE

Your gift allows all SMCS students the opportunity to grow in their relationship with Jesus and practice their faith in a meaningful way every day. Whether it is through challenging classroom discussions, meaningful service projects, school liturgies, SMCS's religion curriculum help students grow spiritually, reinforcing their moral growth and inspiring them to reach beyond themselves to address needs and realities within and outside their everyday lives.

WILL SUPPORT THE SMCS ANNUAL FUND

I understand that no matter one's financial resources, the collective power of each of us making a commitment to the SMCS Annual Fund is vital. Annual fund dollars are used to purchase textbooks that instill knowledge, technology that builds future-ready skills, xxxxx and tuition assistance that opens a world of possibilities to many students.

Ways you can show your commitment to SMCS students through the 2017-18 SMCS Annual Fund:

- Online: Give securely online at smcatholicschools.org by clicking on the SUPPORT US button.
- Mail: Mail a check to SMCS Annual Fund at 1050 Zephyr Drive, Neenah, WI 54956
- Other: Make an annual commitment of a specific amount, transfer stock or other securities, or make SMCS Annual Fund part of your estate plan.

For additional information or with questions regarding the 2017-18 SMCS Annual Fund drive, please contact Michelle Dejno, director of fund development and community relations, at 920-722-7796 ext. 201 or mdejno@smcatholicschools.org.

THE POWER TO
IGNITE

A well-rounded education experience ignites a student's passions and talents, not only in the classroom, but in the community, as well. SMCS co-curricular activities are integral to the spiritual, intellectual, physical and psychological growth fostered in every student.

THE POWER TO
INFLUENCE

SMCS students are not only influenced by interacting with top-notch educators, but also by connecting with each other in a small-by-choice, close-knit community of families and community supporters. A challenging, hands-on and exploratory curriculum at all grade levels is supported by state-of-the-art technology.

THE POWER TO
INVEST

Invest in every student by giving to the SMCS Annual Fund. At each grade level, the actual cost of educating a student is an average of \$3,000 MORE than what a family pays for tuition. The SMCS Annual Fund benefits EVERY SINGLE STUDENT by offsetting the additional expenses.

With tuition covering only one-third of the real cost of education, please consider giving to the annual fund to help cover the increasing expenses.
