

SMCS ENRICHMENT PROGRAM

Preschool and Elementary for Semester 2 of 2017-18 (Rev. 02/7/2018)

PURPOSE AND MISSION

Our exciting enrichment program boasts a wide variety of opportunities that cultivate an environment in which young people flourish: one that challenges their minds, expands their social awareness, reinforces their moral growth & promotes an active life style.

The mission of the SMCS Enrichment Program is to offer lower cost alternatives to our students, build community among our SMCS students, help families enjoy more time together at night, and expose our students to STEM and other programs that they may not otherwise get the chance to try.
