School Mass:

Thank you to all who have attended our school masses. We are blessed to have this opportunity with one another. If you are joining your child (ren) for mass, please feel free to use the cafeteria area for seating. We are at capacity within the church, and our classes are being displaced throughout the church due to overflow. We can normally seat singles of parent and child, but we run out of room with multiple family members within the pews. This will also help us follow our 6-foot COVID guidelines and keep everyone safe.

COVID Update:

Maryann Slavinsky is our Covid Screener. Her contact information is...

Phone 920-716-7139

Email studentsafety@smcatholicschools.org

Please contact Lisa Olson if your child has allergies lolson@smcatholicschools.org. As we work to keep our building safe for all, this is helpful information as we assess student health within the building during the school day.

As a reminder, please do not send kids to school if they are experiencing...

Fever in the last 48 hours

Cough, shortness of breath

Difficulty breathing

New headache

New loss of taste or smell
