### **St. Mary Catholic High School Announces New Head Softball Coach**

St. Mary Catholic High School (SMCHS) is pleased to announce Jennifer Rodman as our new head softball coach. Rodman has previously coached softball at the high school and club level. She has coached at Appleton West, Appleton East and with the Appleton Rockers softball programs. Jennifer works in the SMC school system as an Elementary Physical Education teacher.

"We are excited to welcome Jennifer to our St. Mary Catholic Schools family", St. Mary Catholic Schools Athletic Director Matt Schoultz says. "Jenny will be an excellent leader for our Zephyrs Softball Program. Her playing experience at the high school and collegiate level, coaching at the high school level, and involvement with club softball will help build a foundation for success at all levels of our softball program. Jenny believes in building strong relationships with players, families and the community and I believe she will have an immediate positive impact for the entire softball program. She brings a culture that has expectations to help develop life-long skills, gives his student-athletes the ability to make confident decisions and grow as young Christians."

"I am truly honored to become the head varsity softball coach for St. Mary Catholic High School. It is an amazing opportunity to work with so many wonderful people in this community!" Rodman said. "I am looking forward to building many strong connections with the players and staff in the program and I cannot wait to get on the field this spring!!"

The Zephyrs finished 8-10 overall last season and a Big East Conference record of 6-4. Several major contributors return to the 2023 team. Rodman will open her coaching career at St. Mary Catholic High School when her team will host Shiocton High School on March 28.
