# ZEPHYRS Sports

Fall 2022

ST. MARY CATHOLIC ZEPHYRS

# Big East Conference
# Code of Sportsmanship

We welcome our guests in friendly competition. Let us all demonstrate pride in our school and our conference through good sportsmanship.

We will show responsible behavior and a genuine appreciation of our team and our opponent.

## A real fan is someone who:

- Supports the team, win or lose
- Shows respect for the officials
- Attempts to know and appreciate the rules of the game
- Maintains appropriate behavior at all times
- Recognizes and appreciates the performance and efforts of the coaches and players of all participating teams

# A message to **SMC supporters**

Welcome to St. Mary Catholic High School, home of the Zephyrs! The Zephyrs community stretches far and wide and is centered on a strong tradition of faith, academics, service, athletics, and activities. Our mission as administrators, faculty, coaches, parents, students and athletes is to make your experience at SMC a positive one.

We are a member of the Big East Conference that consists of Cedar Grove-Belgium, Elkhart Lake-Glenbeulah, Hilbert, Howards Grove, Kohler, Manitowoc Lutheran, Mishicot, Oostburg, Ozaukee, Random Lake, Reedsville, Sheboygan Area Lutheran and Sheboygan County Christian. We are also a member of the Eastern Wisconsin Conference for baseball and the Wisconsin Combined Tennis Conference for boys and girls tennis. We are looking forward to growing our relationships and rivalries within our conferences!

Success is often measured by looking at the win-loss record, but we believe that a successful program is much more than that. Athletics is successful when it teaches students sportsmanship, teamwork, commitment and unselfishness. These are best taught by example and through encouragement by coaches and parents. We want the entire SMCS community to be known for its good sportsmanship, as well as for having a fine athletic program.

We want to thank the many parents and supporters of the athletic department for all of their efforts to help make SMC's athletic program one that we can be proud of. We would like to personally thank the Booster Club for all of their hard work to provide outstanding opportunities for our students. Additionally, we would like to thank the advertisers and patrons who have provided financial backing for this sports book. Please express your gratitude to the advertisers by way of your continued patronage.

If you want to get involved for the benefit of the SMC athletics and activities programs, please consider helping us by volunteering to work at sporting events and/or fundraisers. One way to become involved with the SMC community is to join the Booster Club, a very active, welcoming and enthusiastic group of SMC parents and supporters.

To all the fans, thank you for your support of SMC and its athletic program. We hope you enjoy today's competition and that good sportsmanship is demonstrated by all.

GO ZEPHYRS!

# WHY ZEPHYRS?

Where did the team nickname “Zephyrs” come from? In 1934, the Burlington Railroad introduced the Pioneer Zephyr: America’s first diesel-powered streamline passenger train.

On May 26, 1934, the Burlington Zephyr made a 1,000 mile, record-breaking non-stop run from Denver, Colorado, to the World’s Fair on Chicago’s lakefront to climax the “Wings of a Century” transportation pageant.

The train raced across the Midwest at speeds over 100 MPH. Total fuel cost for the trip was $14.64! Through the efforts of St. Mary’s administration and a coach who traveled on the Zephyr, the school adopted that fitting nickname.

There are many ways you can play a role in supporting SMCS students in their athletic and co-curricular activities.
