

SMCHS J-TERM FREQUENTLY ASKED QUESTIONS

What are the dates for J-Term?

J- Term is the week between 1st semester and 2nd semester. The dates are Tuesday, January 23 to Friday, January 26, 2024. The experiences will take place from 8:00am to 2:00pm during the normal school day. There are a few exceptions for trips (London and Disney) or experiences that may have an evening game or event.

What if my child must miss school during J-Term for an illness or other matter?

It is an absence like any other school day. These school days are already on the calendar as school days. They are not extra days. If your child is unable to attend their experience during the week, normal expectations for athletics apply.

How does registration work?

Juniors will be given priority registration since it will be their only opportunity for J-Term. They will register starting Sunday, May 14. All other students will register starting Wednesday, May 17. Registration will be open for five days. After this time, students will randomly be assigned a lottery number and experiences will be assigned based on their lottery number and choices.

Who does the registration?

The registration link will be sent to parents and as with any school registration, parents should register. We hope the experience selection will be family decision.

What happens if a student does not register?

They will be assigned an experience that is open after others have been assigned.

What is the additional cost?

There will be a \$75.00 J-Term fee through tuition management. The travel experiences will have an additional cost.

When will I find out what experience my child will be in during J-Term?

Students will be assigned to their experience by the end of June. Students attending the trips will be notified sooner to help with planning.
