National Softball Academy preseason camps provide young players a unique opportunity to take their game to the next level. NSA camps are designed to develop skills in all facets of the game with an emphasis on teaching proper fundamentals and techniques. Sessions available in hitting, pitching, fielding, and catching.

- ★ **Sessions for grades 1 through 12** include four weeks of instruction for as low as \$99 with our 3Play Discount. Plus save an extra \$20 with code **FLYER2018**.
- ★ **A national softball program with a local touch** operated by Site Director Brian Gullickson and other local high school or college coaches.
- ★ **With a low player to coach ratio**, each player gets plenty of individual attention in a small-group atmosphere.
