

Zephyrs Basketball Club

Girls and Boys Tournament Basketball Program

2018-19—Grades 3 to 8

The Zephyrs Basketball Club (ZBC) organizes and fields competitive youth basketball teams. Teams are organized for boys and girls in grades 3 to 8. Players/teams will compete in selected regional basketball tournaments from November through April. Tournaments generally will not conflict with the school basketball season and will vary according to grade level of the team.

OVERVIEW

The Zephyrs Basketball Club was created by and is a sub-committee of the St Mary Catholic Schools Board of Trustees and the athletic committee. The program is designed to give interested students an opportunity for development through participation in a competitive basketball environment.

GOALS

Our goal is to offer prospective SMCHS students an opportunity to excel at competitive basketball and develop individual and team skills that also foster positive attitudes and teamwork.

ELIGIBILITY

Zephyrs Basketball Club teams are intended as a feeder program for the St. Mary Catholic High School girls and boys basketball programs. All students attending St. Mary Catholic Schools are invited and encouraged to participate. The program is also available to students from other SMCS feeder schools that may have an interest in attending St. Mary Catholic High School. COST Registration fees for the program are \$150.00. This includes fees for tournaments and uniforms for new players.

REGISTRATION DEADLINE

Registrations must be submitted by the deadline. Late registrations will be reviewed by grade level but placement on a team is NOT guaranteed if your registration is late.
