NEW SMCHS Summer Class Offerings

Students entering grades 9-12 can enroll in a self-paced health OR personal finance class over the summer. The modular design of both courses provides flexibility for students to complete the coursework over the summer and at their own pace. SMCHS has joined in a partnership with a Catholic Virtual Academy. At the beginning of each module is a section dedicated to the relevant teachings of the Catholic Church. This provides students a lens or mental framework for learning. The cost of the summer school course is \$40.00. Please email Mrs. Fouts at pfouts@smcatholicschools.org to sign up!
