New **Host an International Student**

We have a fantastic opportunity for your family to benefit from a great cultural experience by hosting an exchange student! We are currently seeking host families for students for the 2019-20 school year.

There is a \$575 monthly stipend and a \$1,000 tuition credit associated with hosting an International student (pro-rated for semester hosts). What a great way to make a St. Mary Catholic Schools education for your family more affordable! Host families do not need to be from SMCS so please pass on this opportunity to anyone you think may be willing to open their home.

If you would like more information or to discuss this opportunity in detail, please feel free to contact Sue Thelen, International Program Director.
