

Good Afternoon Families,

We have a few updates this week. Please take a moment to meet your teachers and view the informational video using this [link](#). It should address many of your new school year concerns. However, if after viewing it, you still have questions, don't hesitate to call.

St. Mary Catholic Middle School will offer after school care for the 2020-21 school year. Due to COVID restrictions, we will need to limit the number of attendees to 24 students per day. All students must be preregistered to be able to participate. The fee for after school care will be \$5.50 per hour per student. You may reserve [here](#) for any days you will need care. Please only reserve a spot on days you know you will need after school care so that we may accommodate the needs of all our families. Also remember that unless you have signed up for the after school care, or a teacher/coach has made arrangements to help your child immediately after school, the expectation is that your child leave school ground at dismissal time. If they have a sport practice after 3:30 for example, they may not just stay at school until practice starts without signing up for the after school program. This is for everyone's safety and your cooperation is appreciated.

We are in need of lunch room volunteers. With the added health protocols for washing tables, how the food is served and helping students to practice social distancing, extra adult supervision is greatly appreciated. This is also a great way to get some of your parent volunteer hours done. You may sign up [here](#).

The middle school teachers and staff are very excited to begin this school year with your children! We look forward to partnering with you as parents to make this an awesome school year.

Please consider this your newsletter for the week. By the way pictures are schedule for next week Wednesday September 2nd, which is a liturgy dress day.

God bless you all!

Jill Ahles
