

Dear St. Mary Catholic Schools Families,

St. Mary Catholic Schools is participating in the United States Department of Agriculture (USDA) Seamless Summer Option (SSO) for the entirety of the 2021-22 school year. This means that our school provides *free* meals to all students! This program provides additional support and flexibility for our system to continue serving meals to children while maintaining safety measures and managing the impacts of the COVID-19 pandemic.

Included in the impacts of the COVID-19 pandemic are nationwide supply chain and product availability shortages. Disruptions are due to a lack of availability of raw ingredients and labor to produce, unload, and transfer food products. Some food and/or beverage products normally provided to students may not be available or arrive as scheduled. Due to unforeseen circumstances, last-minute menu changes and product substitutions may occur. Be assured meals will remain balanced, healthy, and plentiful. We ask for patience and understanding as we do our best to meet the needs of your children.

Please contact me with questions at 920-967-0107 or email me at dagrell@smcatholicschools.org.

Sincerely,
Diane Agrell
Food Service Director
