Students are to prepare a short song selection and a short monologue, each 1 minute or less. It is highly recommended that students sing something in the style of musical theater. Students are welcome to sing a song from Junie B. Jones or any other musical (No accompaniment needed.) Comfort and confidence are the most important things to showcase. Therefore, if a student is not comfortable preparing a song from a musical, they are encouraged to sing Happy Birthday or Silent Night. Monologues can be taken from past forensic pieces, movies, books, plays, or even created. They can also be pulled from a website like this one: <https://www.dramanotebook.com/monologues-kids/>. The purpose is to show how comfortable and confident the student is on stage, so content is much less important than presentation.
