Bike and Walk to School Day

Wednesday, October 6th

You don't want to miss our annual Bike and Walk to School Day.

Students and families can walk/bike from home or meet our group by the fountain at Riverside Park at 7:25 for a group picture followed by walking to school together. If it rains we will cancel, check Facebook for weather updates. Names will be drawn for some great prizes from those who participate!

Pick Up

We are off to a good start with drop off and pick up at the two different locations.

Recently we have noticed parents lining up for pickup in the parking lot as early as 2:20p.m. Since we line up in the parish parking lot, people need to be able to navigate through the parking lot. We ask that you do not arrive before 2:45 p.m. If you are one of the first people please pull to one side or the other so people can come and go from the lot.

As always, please monitor your speed around the school as it is a school zone with bikers and walkers.

All Aboard: One Night. One Event. To Ignite Giving.

The excitement is building and the raffle boxes are filling as we gear up for ALL ABOARD, SMC's first-of-its-kind joint event, bringing together all three of our elementary schools and the middle school to celebrate and support this community. In addition to great food and live entertainment on Saturday October 16, three raffle winners will be drawn for cash prizes ranging from \$1,000 to \$2,500. Tickets are \$25 each, and all of the money raised selling raffle tickets will go right back to our schools. To celebrate our students' efforts in selling raffle tickets, a drawing will be held at each school and one student will receive a \$500 tuition voucher! Every four tickets sold enters a student in that drawing. Don't miss your chance to be part of the ALL ABOARD fun Saturday October 16 starting at 5pm on the middle school and high school campus!

Food Service Updates

St Mary Catholic Schools are participating in the United State Department of Agriculture (USDA) Seamless Summer Option (SSO) for the entirety of the 2021-22 school year. This means that our school provides *free* meals to all students! This program provides additional support and flexibility for our district to continue serving meals to children while maintaining safety measures and managing the impacts of the COVID-19 pandemic.

Included in the impacts of the COVID-19 pandemic are nationwide supply chain and product availability shortages. Disruptions are due to a lack of availability of raw ingredients and labor to produce, unload, and transfer food products. Some food and/or beverage products normally provided to students may not be available or arrive as scheduled. Due to unforeseen circumstances, last-minute menu changes and product substitutions may occur. Be assured meals will remain balanced, healthy, and plentiful. We ask for patience and understanding as we do our best to meet the needs of your children.
