Thank you to parents and staff that participated.

Washington Street

Parents that pick up on Washington St., neighbors are asking that we please be aware of driveways and make every effort to not block driveways. Some neighbors try to level their homes during dismissal and are having a hard time getting out. If you see a neighbor in a driveway please allow them the space to leave their driveway.

St. Margaret Mary Concert- Thursday, November 18th

Our music concert for grades K-5th will be Thursday, November 18th at 6:30 p.m.

In order to safely have an in person concert masks will be required for all audience members and each family will receive **two** concert tickets. Please note, this is not per child but per family. More information on tickets will come as we get closer to the concert date. For students that are performing, masks will be optional when on stage.

The theme this year is "Dance to the Music". Each class will perform a faith based song and a special dance song. Students are asked to dress their best.
