

St. Mary Catholic High School Dual Sport Participation Contract

Per athletic policy, athletes may participate in two or more sports in the same season. The following items must be discussed and mutually agreed upon prior to the first mandatory practice or training.

Student Participant _____

Season(s) _____ Year _____

Primary sport or activity selected by the participant: _____

Secondary sport or activity selected by the participant: _____

When conflicting practices and contests arise, it is understood and agreed upon by all parties involved (participant, parents, coaches, sponsors, etc.) that the primary sport will take priority over the secondary sport. This includes regular season and postseason events. It is also understood that all parties involved are expected to cooperate to the greatest extent possible to minimize conflicts between the two sports.

Specific expectations/additional agreements are: _____

If a conflict arises despite this contract, the school athletic director will intervene and make a determination, which will be binding.

Signatures Required:

Participant: _____ Date: _____

Parent: _____ Date: _____

Primary Coach/Sponsor: _____ Date: _____

Secondary Coach/Sponsor: _____ Date: _____

Athletic Director: _____ Date: _____
